

COGS offers garden plots for growing organically. (No chemical fertilizers, pesticides, or herbicides are allowed.) A full-day class or computer information on growing organically will be provided; the method will depend on the status of the COVID-19 virus.

LOCATION: St. Luke's Episcopal Church has leased COGS land behind the church on 5th and Fir streets for more than a decade. It is fenced but not locked.

PLOTS: In-ground plots vary in size and shape and average 100 square feet. There is a limited number of elevated beds that are approximately 2' high and 32-40 square feet.

PLOTHOLDER FEES: The fee for a plot or a raised bed is \$45. No refunds will be given after March 31, 2021.

COGS FIR ST. GARDEN PLOT APPLICATION
